Parents with an email address on file, have received a welcome email from Infinite Campus with a secret code that allow you to create an account.

Your Infinite Campus Student Portal gives you access to important information throughout the school year, such as student's schedule, assignments, grades, attendance, announcements, and important notifications.

If you need help, a password reset or are unable to login, please send an email to submit a ticket to the Help Desk. Both parents and students have access to the Technology Help Desk.
