

To ensure the safety of all our students, create smooth traffic patterns, and reduce congestion, traffic patterns are required as follows:

Bus Riders: MCTS buses will drop off students in the AM and pick up students in the PM directly in front of the school on N Vel R Phillips.

Arrival Drop Off: Use MLK Dr to turn onto W Garfield Ave. Drop your student off at the corner of W. Garfield Ave and N. Vel R Phillips Ave at the stop sign. They will walk to the main entrance for entry.

Dismissal Pick Up: Use MLK Dr to turn on W. Garfield Ave. Turn into the alley behind the school. Cars should line up starting at the cone by the north gym doors. A staff member will take your child's name and send them outside from the gymnasium to meet you for pick up. Once your child is safely in the car, exit the alley way through the parking lot to the left (we want to avoid turning directly onto North Ave because this could be a blindspot for non-HFCA traffic trying to turn into the alley from the north).
